Of the above seven postoffices listed, only Clarkton and Kennett are in existence today. For the other five, I have listed their complete history as found in the National Records at Washington D.C.

## PREFACE

Generally speaking, the 1870 census of Dunklin County was a good endeavor. John P. Doherty, the Ass't Marshal turned in his enumeration from the first of June until the twenty-ninth of August, but I believe he did not do the count of noses by himself. The handwriting is very similiar, but I could denote a change in the way the figures were made on the ages. The penmanship was good, the spelling left a little to be desired on a few occasions, and the microfilm was a little hazy to read at places, but on a broad basis it was a good census. Compared to other 1870 censuses, it was remarkable !

Each page of census in this book represents a page of census on the microfilm, set up in the exact order in which they were numbered in Washington D.C. and filmed. It is odd that they did not assemble the townships in the order in which they were enumerated, like this:

1. Salem Township, begun on 1st of June ) from
2. Clay Township, begun on 9th of June ) the
3. Independence Township, begun on 27th June ) southern
4. Freeborn Township, begun on 8th July ) boundary
5. Holcomb Island Township begun on 27th July ) to the
6. Union Township, begun on 6th August ) northern
7. Four Mile Township, begun on 18th August. ) part

On page 85 is his statement concerning the enumeration, and this is usually on the very last page. The only numbering that I could tell that he skipped was 65/65, Union Township, page 140.

His capital "L" and "S" were almost always made alike, and he did not always close his "a", making it look like a "u" sometimes. I question the columns which he marked for "cannot read, cannot write". These are often marked in a regular pencil, then in a very heavy pen they are marked through. But since all the four census which I have prepared for Dunklin County contain that pertinent information, I have transcribed it as it appears. I also question the "at school" marks.

Abbreviations used for the various occupations are:

ah	at home	hk	housekeeper
as	at school	hot	hotel keeper
apo	apothecary	kh	keeps house
blk	blacksmith	koj	keeper of jail
clk	clerk in store	law	lawyer
clg	clergyman	mill	works at sawmill
carp	carpenter	mas	stonemason
cc	county clerk	phy	physician
ds	domestic servant	pub	publisher
dgm	dry goods merchant	ped	pedagogue (teacher)
eng	engineer	pri	prisoner
fmr	farmer	sch	schoolteacher
fh	farmhand	ser	house servant
fl	farm laborer	sad	saddler
gro	grocer	sher	sheriff
hc	house carpenter	wof	works on farm

Abbreviations for states are:

AL	Alabama	LA	Louisiana	NY	New York
AR	Arkansas	ME	Maine	NC	North Carolina
CT	Connecticut	MD	Maryland	OH	Ohio
DE	Delaware	MA	Massachusetts	PA	Pennsylvania
FL	Florida	MI	Michigan	RI	Rhode Island
GA	Georgia	MS	Mississippi	SC	South Carolina
IL	Illinois	MO	Missouri	TN	Tennessee
IN	Indiana	NB	Nebraska	TX	Texas
IA	Iowa	NH	New Hampshire	VT	Vermont
KY	Kentucky	NJ	New Jersey	VA	Virginia

The 1870 census pages were set-up with twenty columns. In this transcription, the first ten columns are exactly as they were from the census pages. The enumerator wrote information into those ten columns.

The second ten columns were filled in by marks, made by the enumerator, only when information was pertinent to each person. I have not set-up those ten columns as they were on the original sheets, but have only typed out the information as marked by the enumerator.

The twenty columns are:

1. Dwelling houses, numbered in the order of visitation.
  2. Families, numbered in the order of visitation.
  3. The name of every person whose place of abode on the first day of June 1870 was in this family.
- DESCRIPTION
4. Age at last birthday. If under 1 year, give months in fractions.
  5. Sex - Male (M), Female (F).
  6. Color - White (W), Black (B), Mulatto (M), Chinese (C), Indian (I).
  7. Profession, Occupation or Trade of each person, male or female.
- VALUE OF REAL ESTATE OWNED
8. Value of Real Estate
  9. Value of Personal Estate
  10. Place of birth, naming State or Territory of U.S.; or the country, if of foreign birth.
- PARENTAGE
11. Father of foreign birth.
  12. Mother of foreign birth.
  13. If born within the year, state month (Jan. Feb. etc.)
  14. If married within the year, state month (Jan. Feb. etc.)
- EDUCATION
15. Attended school within the year
  16. Cannot read
  17. Cannot write
  18. Whether deaf and dumb, blind, insane or idiotic.
- CONSTITUTIONAL RELATIONS.
19. Male Citizens of U.S. of 21 years of age and upwards.
  20. Male Citizens of U.S. of 21 years of age and upwards, whose right to vote is denied or abridged on other grounds than rebellion or other crime.

I have not made special notation for his markings of column 19, as it was consistently marked. I paid special attention for markings in column 20.
